

Christmas in July Volunteers Needed

What do red and white beach umbrellas, bells, and "lifeguards" have in common?

They're part of a "Christmas in July" emergency assistance campaign organized by The Salvation Army. Due to dramatically increased requests for food and other help, traditional Salvation Army Christmas kettles shaded by beach umbrellas and staffed by "lifeguards" will be located throughout Center City on every Wednesday in July.

Thousands have been devastated by the economic downturn, and "need knows no season." You and/or your work place can make a difference by volunteering as BELL RINGERS for one hour of your time (or more!). Opportunities for individuals, couples, families or corporate groups are flexible and arranged easily.

Interested in volunteering? Please contact Mary Harmer @ mary.harmer@use.salvationarmy.org or 215.787.5964
